Landon, Farrey & Associates, Inc.  
Naperville, Illinois

### *Executive Management Team*

EDWIN O. LANDON

PATRICK M. FARREY

January 13, 2011

Dear Associates,

It is with tremendous sadness that I write to inform you of the untimely passing of long time NACD member and former NACD President, Denny Sipe.

In addition to having made many significant contributions throughout his 34 years in our industry, Denny also was deeply involved in the activities within his church community, while being a devoted husband to his wife Carol (according to his friend and business partner of 40 years, Denny Crawford, Carol was his childhood sweetheart and the only woman he ever dated), and caring father to his two sons, Darin and Dean.

Needless to say, Denny lived his life well and clearly for all those that knew him, his life was one for which much is to be celebrated. As Denny Crawford put it best, "beyond his many talents, Denny was just a great guy!"

I will be certain to communicate any additional information regarding arrangements, once it is made available.

In the meantime, please join me in keeping the Sipe family in your thoughts and prayers.

Warm regards,

Mark Giesen
